A 60-Second Theft Prevention Checklist for Florida Businesses

Theft doesn't just happen because valuable assets are present, it happens when criminals identify easy opportunities.

Tick "Yes" or "No" for each statement below.

Yes	No	Assessment
		Valuable materials, equipment, or inventory are left outside overnight.
		Parts of our property/site cannot easily be seen after business hours.
		Thief could access our property without being challenged in real-time.
		Our parking lots or storage yards are left unattended overnight.
		We have experienced theft or trespassing within the last 12 months.
		We wouldn’t know instantly if someone entered our property after hours.
		We would struggle to provide video or photographic evidence of a theft.
		High-value assets move without updated security coverage.
		Our business operates in an area with a history of property crime or theft.
		Security depends on staff presence, not continuous monitoring.

Tick "Yes" or "No" for each statement below.

Count the number of "Yes" answers and tick the box below that matches your score.

☐ **0-2 - Low Risk** ☐ **3-5 - Moderate Risk** ☐ **6-10 - High Risk**
