

WCCTV Mini Dome Solar Trailer (750W)

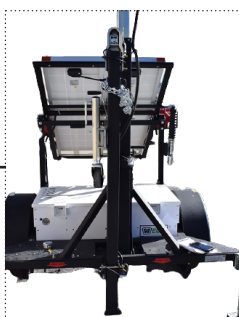

- Fully autonomous surveillance system
- Add up to 3 WCCTV Pole Cameras
- Full 1080p HD video
- Support specialized cameras: LPR, thermal and time lapse video
- Integrated 4G LTE connectivity
- Up to 4TD HDD / SSD Storage
- Audio and siren alarms

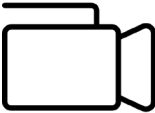

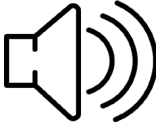

- 20ft tower
- Rotates nearly 360°
- 750W solar array
- 24/7/365 Year-round autonomy
- Silent operation
- No need for any supporting infrastructure
- Installed and operational in minutes

- Fix-Power-Walk Away
- Easy to move and relocate
- Full remote configuration and diagnostics
- Latest MPPT charge controller tech for greater yield
- Compact and easy to transport
- Towable by most vehicles
- No geographical restrictions

KEY PRODUCT BENEFITS

 <p>Complete Managed Service</p>	 <p>Invisible Perimeter</p>	 <p>HD PTZ with Smart IR</p>	 <p>24/7/365 Autonomy</p>	 <p>GPS Location Information</p>
 <p>Multiple Camera Inputs</p>	 <p>Remote Access to Footage</p>	 <p>Live Audio Challenges</p>	 <p>Proactive Site Protection</p>	 <p>Ongoing Health Check</p>

WCCTV Mini Dome Solar Trailer (750W)

The WCCTV Mini Dome Solar Trailer (750W) is an autonomously-powered surveillance trailer that can be rapidly deployed at practically any location, providing security for construction job sites, parking lots, public events or any off-grid location that requires video monitoring.

It takes just minutes to install the WCCTV Mini Dome Solar Trailer at your locations, and it can easily be moved as your applications change. It is an ideal surveillance solution for locations without any fixed power or video transmission infrastructure.

The trailer has up to 2 of WCCTV's 4G Pole Cameras. All live and recorded footage is accessed via 4G LTE connectivity, so users can remotely access the cameras anytime from any device. With a voice down box to allow for live or prerecorded alerts to trespassers.

The system contains inbuilt video analytics functionality providing verification and alerts, allowing for automated and intelligent surveillance. WCCTV's 4G Pole Cameras all feature additional input channels, allowing the integration of fixed or PTZ cameras, all utilizing the feature-rich capabilities of the primary pole camera deployed on a solar trailer.

The WCCTV Mini Dome Solar Trailer (750W) is integrated with a unique AI smart power offers remote connectivity and diagnostics to access solar performance, reboot the equipment and check solar yield levels.

The trailer features a telescoping 20ft tower that rotates nearly 360 degrees and is equipped with highly reliable 750W twin panel autonomous solar power, which is suitable for all locations.

PRODUCT ACCESSORIES

Time Lapse Video

High Definition Time Lapse Video Services

LPR

Mobile video surveillance with license plate recognition technology

Voice Down System

Integrated blue lights, sirens and audio voice down for maximum visual deterrence

EXAMPLE APPLICATIONS

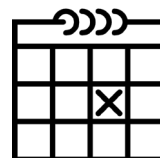

Oil, Gas & Utility Security

Asset Protection on Remote Sites

Construction/Demolition

Temporary Works Security

Roads & Highway Monitoring

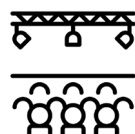

Law Enforcement Surveillance

Protect Critical Infrastructure

Project Management

Major Public Events Safety

Health and Safety Review

Business & Parking Lot Security

Public Space Monitoring

PRODUCT SPECIFICATION

General	Dimensions (HxWxD)	96" x 78" x 157" (Transport) 78" x 78" x 225" (Deployed)
	Operating Temperature Range	-22 to +122°F
	Power	800AH @ 12V / 750W Solar Array
	Weight	2100lb
	Software Upgrade	Internet / 4G / back to back PC
	Warranty	12 months warranty with options for extended warranty
	Video Inputs	10
Networking	Remote PC Client	Client Software Free Download
	Remote Web Browser Client	Viewing
	Password Protected	Yes
	Remote Smartphone (iPhone) Compatible	
	Remote Tablet (iPad) Compatible	
	Remote Connectivity to Solar Performance	Yes
	Remote Connectivity to Solar Yield	Yes
Remote Reboot Facility of Solar Equipment	Yes	

WCCTV is headquartered in Dallas, TX, with an established deployment network across the United States. To find out more about WCCTV Mini Dome Solar Trailer please contact our USA Head Office:
